

North Devon Link Road (NDLR) (Portmore to Borner's Bridge) Newsletter 4 (September 2021)

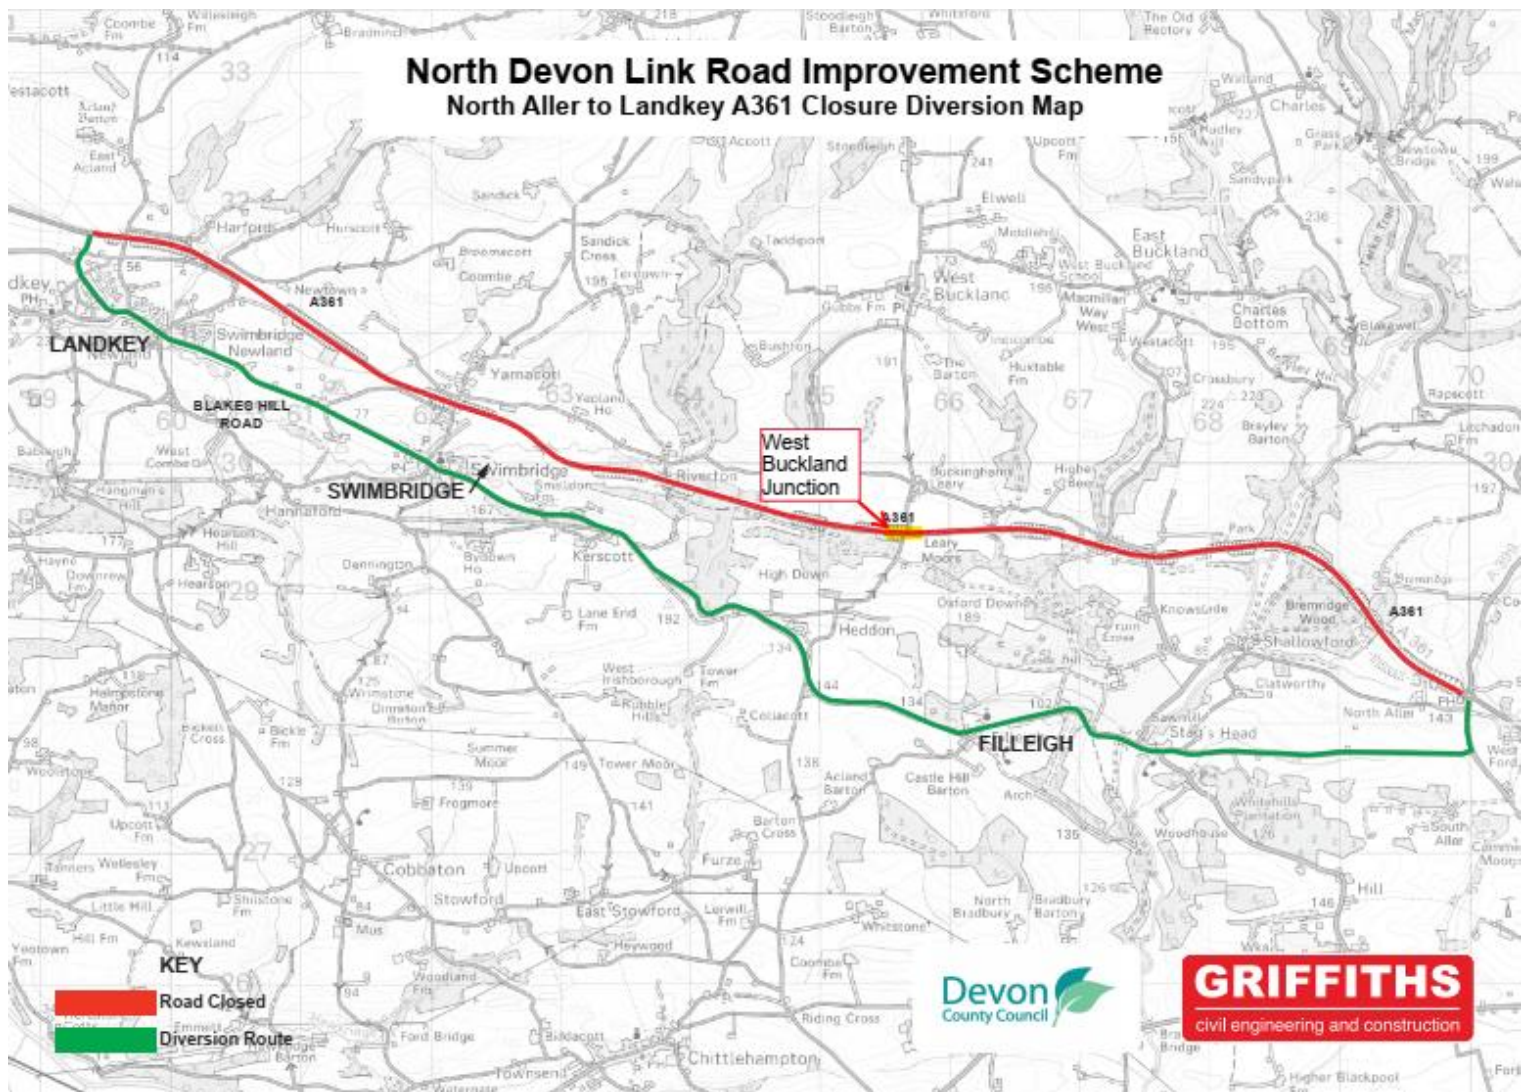

Traffic Bulletin of Night Time Road Closures and Diversions

We have two areas of Road Closure and Diversions week commencing Monday 13th September.

A361 WEST BUCKLAND JUNCTION

For three consecutive nights – From 8pm until 6am on Monday 13th, Tuesday 14th, and Wednesday 15th September we shall be closing the A361 between North Aller Roundabout and the Landkey Junction to do lining work, installing barriers for Traffic Management and enabling works near the West Buckland Junction. The Junction will remain open for traffic crossing the A361 only.

The Diversion route is that used previously as below.

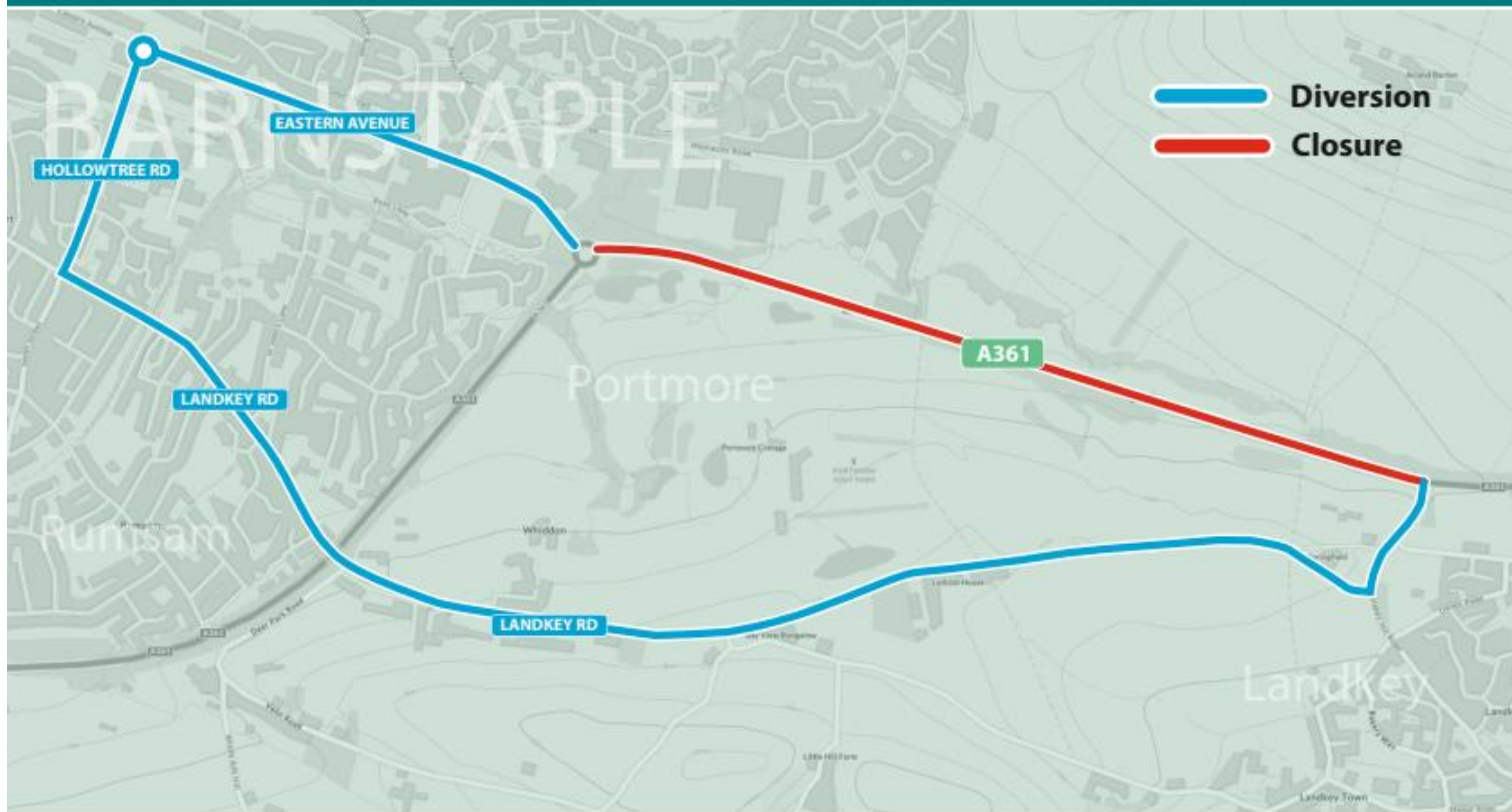

We respectfully request that during the above closure nights, as previously, if it at all possible, not to park on the main road through the village and find alternative parking. We appreciate this may not be possible in many instances, so ask, if this is so, that parking is confined to stretches on one side of the highway with neighbours and visitors, to give as much room for diverted traffic to pass through each village with as little hindrance as possible.

PORTMORE ROUNDABOUT TO LANDKEY JUNCTION

Secondly, we need to do similar work between the Portmore Roundabout and the Landkey junction installing barriers. Therefore, a road closure is required of the A361 between these two locations between 8pm and 6am on Thursday 16th September.

The Diversion route for this closure will be signed.

Devon
County Council

GRIFFITHS
civil engineering and construction

For this one night we request that, if possible, not to park along Landkey Road to give as much room for diverted traffic to pass.

Apologies for any inconvenience and thank you for your patience whilst we undertake this work.
